

My Keypad

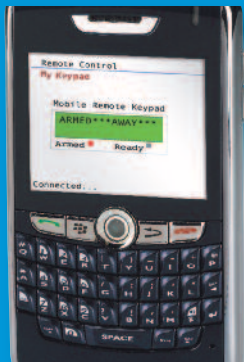

MOBILE SECURITY SYSTEM OPERATION

**Your Key to Security,
Convenience and Control**

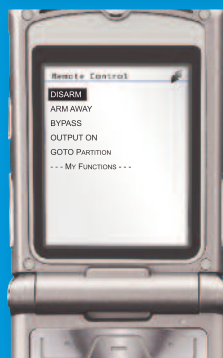

Honeywell

Convenience and Control at Your Fingertips!

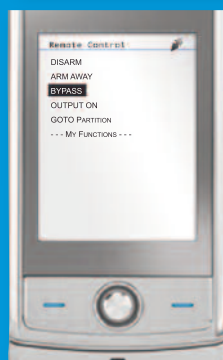

My Keypad is a lifestyle-enhancing application of Total Connect that works just like an actual keypad...letting you operate your security system remotely from anywhere in the world! My Keypad is the perfect fit for your active life because it's security that goes with you — letting you enjoy extra mobility without ever compromising your safety or peace of mind.

- Arm and check the status of your security system

- Disarm and silence your system

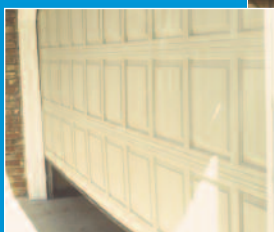

- Bypass a door for unscheduled maintenance or service

- Turn lights on and off remotely

- Control garage or warehouse doors

Terms and conditions: My Keypad is part of Honeywell's Total Connect suite of services. Additional fees will apply. Mobile device compatibility may vary. Please consult your service provider for the required services below. Device required services:

- Data enabled (can connect to Internet)
- Java enabled
- SMS enabled with support for Short Codes
